

## August 2013 Newsletter

Greetings!

I hope you are enjoying your summer in our beautiful Rhode Island. We realize how fortunate we are to live here when we see the influx of tourists that crowd our shores and businesses. However, summer must end and it is time to plan our Fall schedule which will again include two Tap workshops, Level I and II, taught by the very popular Brian Jones.

Our wonderful teachers, Louise Turilli, Chamoni Mossa-Simone, Michael Wilson, Debra Deslandes and Cathy Blaney will return to teach the regular classes of Ballet for all levels and Jazz for teens and adults. David Dougher will teach Ballroom classes, as will Ellen McKenna, her morning adult tap classes.

This Fall we start our 20th year at THE STUDIO! Looking back on past years I think about the many, many young and old students who have passed through our doors. Some have become life-long friends, and others have gone on to become successful people. I have watched 'ugly ducklings' turn into beautiful 'swans', and uncoordinated awkward children become graceful and confident youths.

We will continue to provide consistent and reliable instruction for our students, regardless of age or experience, and look forward to another 20 years of doing so.

Sincerely,  
Marilyn Smayda
